

Crown Sports Center

Membership Card/Player ID Card

New League Procedure

The following is information regarding the new Player/Membership Identification Card

- ***Membership/Player ID Card will be put into place beginning January 1, 2010.***
- ***Anyone participating in a Crown Sports Center team league will be required to have a Player ID Card.***
- ***The cost for a Player/ID card is \$10.00 each. If a card is lost, an additional card may be purchased for \$5.00 each.***
- ***Player ID Cards will be good for one year from the date the card was issued.***
- ***Player's will need to show proof of age initially to purchase the card, but once a card is issued and a player waiver signed, parents will not be required to fill out another waiver for each league.***
- ***ID cards will have a picture of the player and their birth date.***
- ***If players play in more than one league, only one ID card is necessary. You will not be required to purchase an ID card for each league a player participates. They will use the same card.***
- ***Players will be required to show their ID card to the official before the start of each game. If a player does not have an ID card, the player does not play – or they purchase an ID card for \$5.00 to be able to play. Players who do not have a card will not be permitted to sit in the team box. They will be required to sit in the spectator section.***

Crown Sports Center is putting the player/id card into play for liability reasons – every player who has a signed waiver will have a player identification card. There will not be an opportunity for a player to come and play who is not on the roster. This however has probably occurred in the past considering the amount of teams and individuals that participate year-round at Crown Sports Center. The player card alleviates this concern.

We appreciate your cooperation as we make this new addition to our league procedures.
